

How to submit a post to a Blackboard Discussion Forum

If you have logged onto Blackboard, chosen the right course, and identified a forum you wish to contribute then follow the next steps on how to submit a post to a Blackboard Discussion Forum.

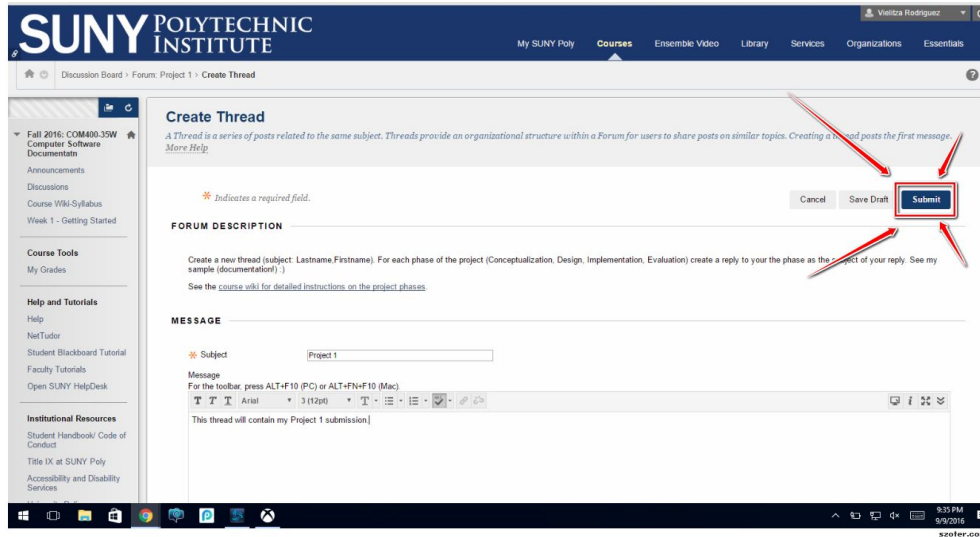

- Click on the 'Create Thread' button

- Input a subject and the message in their corresponding spots

- Click submit

- You have successfully posted a post to a Blackboard Discussion Forum! This should be how your final result looks like!
